NEWS RELEASE

Gold Line Appoints Former Kirkland Lake Gold Vice President of Exploration, Douglas Cater, as Technical Advisor

Vancouver, BC, Canada – December 15, 2021 – Gold Line Resources Ltd. (TSX-V: GLDL, Frankfurt: 4UZ, WKN: A2QGWC, OTCQB: TLLZF) (“Gold Line” or the “Company”) is pleased to announce that it has appointed Douglas Cater, P.Geo, FGC, as a technical advisor for the Company's mineral exploration projects in Finland and Sweden.

Douglas is a professional geologist with more than 35 years of experience in the exploration and mining of precious metals including project management of exploration programs and mining projects.

Mr. Cater has previously held various management, C Suite Executive and directorships with several senior-tier mining and exploration companies, and currently operates an incorporated consulting company, D.F Cater Consulting Geologist Ltd., with a focus on providing property evaluations, technical reports and project management services to mining and mineral exploration companies.

Mr. Cater is former Vice-President Exploration of Kirkland Lake Gold Ltd. (2016 - 2019), and St Andrew Goldfields Ltd. (2012 – 2015), former Project Manager for Sabina Gold & Silver Corporation's Back River Gold project (2009 – 2012), and former Exploration Manager for Dundee Precious Metals Inc. (2005 – 2009). Currently Douglas is the President and Owner of D.F Cater Consulting Geologist Ltd., a firm providing a wide range of technical services to gold mining and exploration companies, including technical reports, project work and evaluations.

"On behalf of Gold Line's Board of Directors and exploration team, I am please to welcome Doug as the Company's Technical Advisor of exploration. Doug's extensive experience and successes in exploration discovery and resource expansion will add and unlock tremendous value as we continue to move forward and prove out our exploration projects in Fennoscandia," said Adam Cegielski, the Company's CEO.

About Gold Line Resources Ltd.

Gold Line Resources is focused on acquiring mineral properties with exceptional exploration potential in the most prolific gold-producing regions of Fendoscandia, and further delineating the historic. Gold Line is working in one of the world's top mining jurisdictions and emerging exploration frontiers due to its strong mineral endowment, stable tenure, straightforward permitting, favourable tax regime and supportive geopolitical landscape.

Gold Line currently holds a prospective portfolio of five gold exploration projects in Sweden: one project is in the Skelleftea belt of north-central Sweden and four projects, including the Långtjärn property, are located within the Gold Line Mineral Belt of north-central Sweden. The projects are located on a 200-kilometre Proterozoic greenstone sedimentary belt that is host to multiple gold showings and deposits.

ON BEHALF OF THE BOARD OF DIRECTORS OF GOLD LINE RESOURCES,
